Job Description: Dental Assistant

Be a smile hero! Dedicated tartar fighter wanted!

Come work for Lavender Dental Dutton and be a part of a growing dental practice group where you can help make a difference.

We are the latest practice of Lavender Dental continuing to grow and need a full-time dental assistant to join our team.

Lavender Dental Group is a network of dentists utilizing a common platform of services, processes, and systems to allow dental practitioners do what they do best... better serve their patients and help build healthier communities. We maintain the local dentist office feel while providing the best advanced care techniques and technology of larger dental practices. Lavender Dental Group offers comfort and convenience! Our practices provide every patient thoughtful, personal attention. No hype, no pressure – just a sincere approach to our patients' dental needs.

What you will contribute to our practice:

As an assistant for our practice, you will play a critical role in providing relevant, meaningful, engaging, and positive experiences with our brand.

The right team member must have at least one year of dental assisting experience. You will greet patients, introduce yourself and lead them to your prepared exam room. You will assist the dentist during the patient's examinations and other procedures. Between patients, you will clean exam rooms and replenish supplies. When not working with patients, you will also assist with administrative tasks, including answering phones and organizing patient records as needed.

What we will offer:

- Signing/On-boarding Bonuses
- Competitive wages
- Medical/dental/vision benefits
- 401k
- PTO

Responsibilities/Skills Required:

- Assist hygiene as needed
- Assist the dentist during examinations and dental procedures
- Educate patients on good oral hygiene habits
- Gather patient information and health background
- Ordering and maintaining expiration dates of office supplies
- Prepare materials for crowns or dental impressions
- Prepare the work area for procedures
- Restock treatment areas and monitor inventory
- Take x-rays of patients' teeth when necessary and display results for the dentist

Requirements and Qualifications:

- Dental assistant certificate from an accredited vocational school (preferred)
- 1+ years of dental assisting experience
- X-ray certification a plus
- Current BLS and CPR certification

- Exceptional understanding of dental hygiene procedures
- Knowledge of aseptic and sterilization techniques
- Excellent written and verbal communication skills
- Attention to detail

Job Type: Full-time, Monday – Thursday, 8am – 5pm
